

Lady Niners Member/Guest Tournament

Annual Fun Tournament and Fundraiser

This year's charity: Neighbors Who Care to fund Sun Lakes Meal Delivery Program

BASKET INFORMATION

Our fundraising activity includes Gift Baskets for Auction and/or raffle.

What: For our basket raffle we ask our Niner members to assemble a large gift basket filled with items in a category of your choice – i.e. sports, activities, hobbies, food and drink, household items, etc. – named by you. It would be preferable if you have a large basket to hold the items. Baskets should be covered with clear film and tied with an attractive bow. If you need help with this, please contact Leah Skotnicki at (250) 320-2067 and arrange a time to drop off your items. She has additional supplies on hand to help make up your basket. If anyone has additional baskets to donate for our use (maybe you won one last year) please arrange to drop it off with Leah as soon as possible.

How: Decide on your own or with your partner what your theme is and fill your basket as you wish with items you would like to win or that you know others would like to win. If the basket contents total over \$75, we may choose to put it on the silent auction table.

When: We will need your basket information by the 10th of March using the format below. Please get to Renee at a regular niner event or delivered to Leah at her convenience.

All questions/suggestions can contact Leah Skotnicki at (250) 320-2067.
