

April 2025

Cottonwood Lady Niners

After some very windy days on the course in March we are all hoping for mild and sunny days of golf in April!

Our Member/Guest tourney on March 20th was a great success with fun and games enjoyed by all. Although I do recall there were several players who expressed some frustration and experienced calamity on the frisbee hole! Through generous participation in the gift basket and silent auction items we were able to donate \$5000 to our charity, Positive Paths - a local non-profit that supports and invests in women needing development skills in Phoenix's east valley.

Our spring business meeting will be held on April 17th in the Cottonwood Saguaro room. The new slate of officers for 2025-2026 will be named during the luncheon. Our representatives to the 2026 State Medallion Tournament are also slated to be announced. The season isn't over as the Lady Niners look forward to weekly play through the month of May.

Our membership directory chair, Jacque Poetker, is asking the Niners to check our website for accuracy of your member information. Log in to cwlady9ers.com to view your info; contact Jacque for any corrections needing to be made.

For many of our group it is time to say good bye until next fall. We wish safe travels on your journeys home and look forward to seeing you when you return after the summer break. For those who stay during the summer, please join us when we switch to golfing Thursday mornings. An email will be sent out with more information on Chelsea sign up for informal play (no league games). There are also opportunities to play off-site tournament golf; check the bulletin board outside the pro shop for more details.

Remember: "Golf can best be defined as an endless series of tragedies obscured by the occasional miracle." anonymous
