April 2026

Cottonwood Lady Niners

As we waltz into April and our wonderful Arizona spring weather, we know we will be saying goodbye at the end of the month to our many Niner winter golfers. It's always a bit sad to send so many of our residents back to their summer homes but we know they'll be back in Sun Lakes next fall to share their adventures when we meet up again! And to our year-round residents, remember we continue to play league golf until the end of May.

Our Member/Guest tournament on March 19th was a grand success! Members and their guests enjoyed a fun day of games, gifts and golf and made many new friendships. The final tally of our donation to the Neighbors Who Care meal delivery program will be shared when that number is made available. Please look for pictures of the event on our website, www.cottonwoodnine.azgolf.org. We are already looking forward to this fun event next winter!

Our feature photo of the month is of one of the two pairs of golfers who represented our league in the statewide AZ Medallion tournament held each January. This great event has been held at the Oakwood golf courses for several years. Winning their flight at this year's tournament is Patsy Lawless and Ellen Alvarado. Congratulations Ladies!

We'd also like to congratulate Tina Hankin on her taking the Niner's league Net Championship this winter! Look for our league's gross and net champion pictures on the Niner's bulletin board outside the Cottonwood pro shop.

A reflection for the month:

"I'm not lost; I'm just exploring the rough" -anon-
