

December 2024

Cottonwood Lady Niners

Welcome back Lady Niners! It was great to see our fun group of women on our first day of play November 7. We enjoyed a great round of a step-aside golf scramble as we reconnected with returning golfers and shared our fun golf philosophy with new members. There was a lot of laughs, groans of “should have beens” and high fives as we made our way on the Cottonwood front nine. Future luncheons include a Holiday celebration on December 12 - be on the lookout for fun holiday attire cruising the course. Cart decor is encouraged too! Pictures will be shared next month.

On a sad note, we lost Betty Lu Buchanan and Pam Wagoner, two long time Niners, to cancer this year. They will both be missed and we send our condolences to their families.

The Cottonwood Lady Niners play a nine-hole shotgun every Thursday afternoon from November to the end of May. Games change every week and include variations of scrambles, team games, and individual play. Ladies of all ages and ability (including novice golfers) find this fun-loving group friendly and tolerant of all skill levels. Immediately following golf, members enjoy rehashing the day's play in the club lounge or on the patio. We welcome ladies from all phases of Sun Lakes to join. A number of seasonal luncheons and play dates with other ladies' leagues in Sun Lakes are held throughout the season. An annual Member/Guest event is also held each year with proceeds donated to a selected charity. Dues are currently \$90 for the year which includes your handicap service. Contact Minna Rasmussen, President at (615) 440-9982 or minna.rasmussen53@gmail.com for details.
